

Thornton Le Dale Village Hall
Proposed Open Day - ***Postponed until Autumn 2020***

Dear all

- 😞 at present this looks like it may be September.....but one never knows

.....so please don't stand down on enthusiasm and contribution as display boards, afternoon teas, and indeed a great raffle with super prizes will materialise at some point - in the hopefully not too, too distant future 🍷

Please note: this is a wordy message as we all, I suspect, may have a lot of time to read our emails etc.

Thank you for your anticipated ongoing support and please pass on the cancellation details to anyone you meet [at a 1 metre distance of course]!

Keep well, and our VH day team will keep in touch

Barbara
