Two illustrated lectures from two experts. Susan Campbell will talk about Capability Brown's Walled Kitchen Gardens.

Mike Kleyn will discuss medicinal plants in Scampston's 18th century walled garden. Between the two talks, guests will be invited to explore the garden at Scampston with refreshments.

Susan is Vice President of The Walled Kitchen Gardens Network and has advised on Historic England's project to evaluate England's walled kitchen gardens.

Mike Kleyn is a retired South African Pharmacist. He has worked at Chelsea Physic Garden and has written articles on herbal medicines for different journals including Healthspan Magazine.
